AMS receives donation

Mrs. Betty Magann last week presented a check for $1,000 to Mrs. Hezteine Foster, principal of Appomattox Middle School.

The money will be used toward the purchase of a videotape system for the school. This is just one of the goals that Appomattox Middle School PTA has set for itself this year.

The PTA got off to a good start on Oct. 20 with the installation of the following officers for the 1980-81 school year: Mrs. Thelma Wright, president; Mrs. Martha Watkins, vice president; Mrs. Laura McClenny, secretary; and Mrs. Ruth Drinkard, treasurer.

The Executive Committee is busy now making plans for PTA programs and activities that will be presented for the year.

Thanks go to Mrs. Ruby Roach, chairman of the Hospitality Committee, and other parents who helped with the refreshments.

Anatomy, anyone?

Children in room two at the Appomattox Elementary school studied human anatomy during the first six weeks of the school session.

The children got partners and laid down on big sheets of paper, and their partners traced the body outline. The children cut out their shapes and hung them up in the room. Each week they pasted on different organs.

So far they have the heart, lungs, stomach, spinal cord and spinal column, and the brain.

It's important for third graders to know about body parts. The students also learned the names of the body systems. Each week their teacher, Ms. Gillam, told them a little about the human organs.

THE TIME IS NOW!

The 1980 election:

Why is it the most important vote you will ever cast? Who will you choose? Carter? Reagan?

The candidates have spoken. Now you must decide.

Will it be a future of scarcity and sacrifice, or of hope and promise? The choice is yours. Make it wisely. Make it Reagan & Bush.

What is your answer to these questions . . .

THE ECONOMY
Must you and your children prepare for a future of less as envisioned by President Carter? Must you accept scarcity, and sacrifice, and shortages, and inconvenience as a way of life? Or do you believe we can achieve prosperity for all Americans?

Can you continue to survive 18% inflation, a crushing tax burden, and 20% interest rates, or is there hope for a better tomorrow?

Will you or your children join the ranks of the 8 million unemployed or will you have job security in a growing and expanding economy.

FOREIGN POLICY
Are you satisfied with Jimmy Carter's indecisive and weak foreign policy? Must we face crisis after crisis in an unstable and troubled world? Or is it time to return America to a position of respect? Time to make America great again?

Are the Carter policies of weakness and appeasement the road to peace, or do you agree with Ronald Reagan that the only road to peace is through strength? Do you agree with Ronald Reagan that it is time to rebuild our defense capability?

On Tuesday, November 4, you will make a decision which will affect you and your children for the rest of your lives.

Your choice, four more years of Jimmy Carter or a new start with Ronald Reagan, is crucial.

We, the undersigned citizens of Appomattox County, Virginia, hereby authorize the Times-Virginian to publish our names endorsing the Reagan - Bush campaign for the Presidency of the United States of America.
